FIFA 20 introduces “Smart Player Intelligence” (SPI), which made its on-field debut at the 2017 FIFA U-17 World Cup and was included as a new feature in the FIFA 19 Ultimate Team. Fifa 22 Crack Mac also brings a new “Quake Choke”—an awareness system designed to ensure defenders are not caught out of position. Video replays can also be used to provide additional information to defenders, to make life more challenging for attackers. Offline modes for Fifa 22 Crack Mac include Match Day, Home, Away, Club and Restore - with the ability to select save replays to highlight and archive key moments. Online play also gets an update with new FIFA Social, FIFA Ultimate Team and FIFA World Cup modes. FIFA Ultimate Team Live FIFA Ultimate Team fans will be able to experience the FUT experience in FIFA 22 with three new “FUT’s”: FUT Live, FUT Rush and FUT Shootout. FUT Live enables fans to play new live modes via the FIFA Ultimate Team broadcast. FUT Rush allows fans to experience live play from the matchday broadcast. FUT Shootout lets fans play locally hosted tournaments in FIFA Ultimate Team. FIFA 22 introduces a new Career Mode for FUT, featuring improved Create-a-Player, multiple targets, seamless gameplay transitions, an arsenal of new control methods and the ability to customise your player model. “Another important achievement is the introduction of immersive, real-life gameplay features, including our enhanced Real Player Motion Technology and motion capture, which allow players to feel the ball in the air and run like their opponents and make them feel more connected to the pitch. Our enhanced SkillShot and Shot Sticks systems, with the new ability to aim for players’ feet, will no doubt reignite the thrill of goal celebrations. And new FUT Live and FUT Rush modes are sure to bring fans closer to the action,” says David Rutter, Creative Director on FIFA 22. “The introduction of new functionalities, from intelligent player intelligence to new movement animation, will allow players to feel the whole pitch like never before. We have also introduced new ways to connect with and interact with your players, with the introduction of new FUT Social and FUT Ultimate Team modes,” says Brian Bates, Creative Director on FIFA 22. Fifa 22 Features Key:

- **Edit, create and build Ultimate Teams:** Your memories turn to trophies in *Ultimate*

Team. With all-new ways to develop, manage and play matches with your new friends, *Ultimate Team* is now even more rewarding and deep. Set up and manage your Ultimate Team of up to 38 players, manage and play matches with your teams, attend training sessions and create new game modes at the Training Centre.

- **Boost your players with the all new Draft Champions:** *Live Draft Champions* add a new dimension to *FIFA Ultimate Team*. See all your opponents' strengths and weaknesses, and select their best players as the draft goes on. The first chance to make a move on your competitors is when the draft begins. Activate it by tapping the button in the Main Menu during the game and you'll get to build your ideal team right from the start. If you miss any players then you can reclaim them by using a refund coupon in-game.
- **Make winning moves with new Manager Cards:** After every successful key play or goal, an icon like the Champions Card or Packie Card can be earned. Use them to improve your bonds or unlock additional ways to put your squad to work. 24 new specialist icons, five new icons set for free and one new icon introduced as a digital card are waiting for you to take a chance on winning.
- **Share the best moments with your friends.** World Class Moments are back. In *FIFA 22*, you can reward your top global performances as a manager or player by sharing videos of them with your friends. And then check your FIFA social media accounts to see how your global performances compare against your friends. It's open season on sharing the best moments. From *FIFA Ultimate Team* to Facebook, Instagram and Twitter, have fun and take a look at what others are sharing.
- **Win the Ultimate Rewards Campaign with FIFA Ultimate Team: Seasons** Win your *Ultimate Team: Seasons* campaign with your league leaderboard showing an image of its trophy cabinet or *Wish List* with your favorite clubs to receive bonus rewards that include further unlocks and new items in-game.

Build the ultimate Ultimate Team and compete in epic online matches to earn FIFA Points (Xbox LIVE required). Create and play your own team of footballers and take them online to play alongside thousands of other teams. With the most complete set of licensed player and ball control options ever in a FIFA game, ultimate team will give you infinite ways to play and master FIFA football like never before. Possession-Based Control - In the modern game, ball control is king. When you control the ball, you control the game. That's why we've made the most realistic ball control in a FIFA game. You'll have more ball control options than ever before. For example, dribble past a defender with a faster ball, then go back to slower mode to build up your momentum. Then in close-quarters situations, use the perfect touch to quickly combine with your teammates and score. All of this was tested in our development cycle and is here for the first time in a FIFA game. Nations - The World Cup is now at your fingertips. With up to 32 Pro Clubs and 10,000 players from over 100 countries, take your country's Pro Team onto the pitch and score on your favorite international rivals in FIFA 22. Each Pro Club has its own unique playing style and characteristics. All Pro Clubs are fully customizable with their kits, styles and complete stadium settings, and can be strengthened with various player attributes and team tactics. And if you manage to win the FIFA World Cup, you can invite one player from your Pro Club to join your team of national amateurs and compete in the FIFA World Cup for a spot on the FIFA World Cup final roster. More Club Play - FIFA 22 introduces many new gameplay features that make Club Play even better than ever before. You have more ways than ever to compete. Play with or against your friends in up to 12-versus-12 matches, in

exhibition match in which you'll have the opportunity to tune-up before facing other online players or in training. You can start a Club Challenge round, where you will challenge three other Pro Clubs to a virtual cup. And follow your favorite national team in the World Cup mode and compete in online knockout matches and FIFA World Cup finals. Improved 3D Matchday Engine - The improved 3D Matchday engine will bring realistic crowds, epic celebrations and the most famous venues to life like never before. The changes to the ball control system also help bring moments of magic to your fans. Multiple
