No one is better or worse for being born into the human race, regardless of your race, sexual preference, gender, religion, or political beliefs. "Being human is not a matter of having brains in your head; it's a matter of what you do with your brains." -Bill Hicks Humanism generally focuses on the free and unlimited self-expression of the human person in every phase of life.Q: Pick random image for every post in WordPress How can I add a random image for every post in WordPress, I have not seen an example of this online. I need all the images to be random and show on the front page, and if possible in the category page. A: WordPress doesn't have a built-in random image generator, but you can use the WordPress function `wp_get_attachment_image()`. To add a random image at the top of a single post: function `random_image_for_post($id, $post) { $random = rand(1, 5); $rand_id = get_post_th`
